Re: “000 Uddeholm 000 “ Steel availability and guarantee

To The Wide Bandsaw Industry,

This letter is to affirm voestalpine Precision Strip LLC’s commitment to the “000 Uddeholm 000” brand Wide Wood Bandsaw Steel. We as a company want to re-affirm to you that we stand behind our products quality and availability in the United States and Canada. We serve the US and Canadian market from two inventory locations (Tualatin Oregon and Brunswick Ohio).

WE as a company have made a commitment many years ago to strive to keep 3-4 months of Inventory on hand on each and every size used in this industry 4” and over, at all times. For all intensive purposes we have upheld this commitment during the last 16+ years. We as a company have invested well over \$136 Million in a “state of the art” greenfield Cold Rolling, Slitting, Edge Treatment, and Hardening & Tempering Facility capable of meeting some of the tightest tolerated demanding material specifications in terms of Thickness, Width, and Flatness in the world. We will continue investing every year to keep our mill the most capable cold rolling mill for your applications.

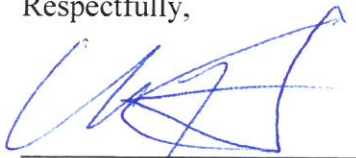

We want to re-affirm to you and your customers, our commitment, to the business by assuring you that we will have a 3-4 month inventory for the top 15 “Movers” of Raw Wide Wood Bandsaw Stock in coils to all our direct customers “Bandsaw Manufacturers”. This is to assure you that when you choose “000 Uddeholm 000” steel for your Shop, we will satisfy your Steel demand within 2-3 business days.

To our Indirect customers, we can assure you that we will have “000 Uddeholm 000” Steel available to your Bandsaw Producer / supplier within 2-3 days of order acknowledgement.

We at voestalpine Precision Strip LLC, and the whole Strip team thank you for all the support and trust you have extended and shown us in the past, and for your continued support of the “000 Uddeholm 000” brand. We look forward to ensuring you the highest quality Band saw Steel on the market - period. Ask for us by name – we stand behind our product.

Feel free to give us a call anytime at (330) 220-7800 to verify your inventory is in stock

Respectfully,

U. Koehler
